

**Hirsch Pediatrics Discounted Fee Schedule (updated 05/08/17)
Out-of-network Insurances**

PLEASE READ: The discounted "out-of-network" rates listed below are available for families who alert Hirsch Pediatrics of their insurance status BEFORE the appointment. Families who present insurance at the appointment that is later found to be terminated on the date of appointment are not eligible for a retroactive discount. Therefore, to receive the discounted fee schedule if you are out-of-network, you must notify us BEFORE the appointment.

**** Note: Children who are uninsured may be eligible to receive all vaccines at no charge through the Montgomery County Health Department. Please call our office for more details.**

Fee Schedule		
sick visit	\$95	To help families anticipate out-of-pocket expenses, Hirsch Pediatrics includes ALL additional labs tests, procedures, and screening tests in the sick and well child visit fees.
well child exam	\$195	
Note: The ONLY additional cost is for the vaccines. Please see below for vaccine expenses.
